# The Getaway Respite Care Plans

Everyone needs a break now and then, but it's difficult for a caregiver when someone depends on you for their daily needs. *We can help!*

**The Getaway Respite Care Plans** offer affordable options using professional caregivers so you can get away and have the peace of mind that your loved one is in good hands.

## Your Home or Ours!

For daytime respite we can provide care in your home, but we understand there are times when overnight care is needed and you may not have space for a guest. Many seniors don't want to go to a nursing home or assisted living facility when their family needs a break, so we offer respite care through our network of registered family homes.

These are private homes with caring families who will welcome your loved one and care for them as part of their family, with oversight provided by Moore Options for Seniors. It's more like a weekend visit with a friend!

## Use The Getaway Respite Care For:

- A night out – dinner & a movie!
- Taking your dream vacation
- Weekend getaways
- Shopping trips
- Attending important events

## Pro-Active Approach

We'll consult with you in advance to create a plan that ensures all your loved one's needs are met. We'll ensure that all special needs for medication, diet, mobility, etc. are considered and planned for in advance to ensure you enjoy a successful, no-stress getaway.

Rates are based on weekday vs. weekend, service needs, overnight requirements, etc. and are competitively priced.
